

GREEN TEAM POSITIONS

In partnership with the

Northeast Avalon Atlantic Coastal Action Program

(Location: St. John's)

Green Team Job Ad Number: **CCNL Zone1B**

Project Title: Getting To Know Lundrigan's Marsh

PROJECT DESCRIPTION: The Green Team will assist with conservation and education activities at Lundrigan's marsh. Duties will include the collection of scientific information from the marsh, including information on flora and fauna; educate the public and raise awareness about the importance of the marsh through the development of informational material and a social media campaign; conduct clean up events in areas surrounding the marsh; and conducting Project WET activities to increase knowledge of wetland dynamics and their role in local ecosystems. All teams will conduct a minimum of five Environmental Awareness Events.

POSITIONS

TEAM LEADER (1 Position): The Team Leader is the day to day supervisor for the Green Team. This person is responsible for the conduct of Team Members and the work they undertake. The Team Leader ensures that the work required is properly assigned and carried out, and that the project proceeds smoothly. This involves planning, maintaining discipline, daily acquisition of project materials, effective communication with the community partner and CCCNL staff, administrative duties etc. A team leader should demonstrate the ability to plan and organize, and must have leadership and supervisory skills. **This position is for 8 weeks, at \$12.15/hr for 35 hours per week, from July 3 to August 24, 2018.**

TEAM MEMBER (3 Positions): The Team Member is an integral part of the Green Team program. The Team Member follows the direction given by the Team Leader, has the ability to work well in a team environment and feels that s/he can make a positive contribution to the projects undertaken. **These positions are for 8 weeks, at \$11.15/hr for 35 hours per week, from July 3 to August 24, 2018.**
