

## **Resources to Support Teachers in Taking Kids Outdoors:**

### [Thrive Outside: Resources from the Child and Nature Alliance of Canada \(CNAC\)](#)

*National non-profit organization that includes a variety of resources for teachers who take kids outdoors (CNAC also offers the [Forest and Nature School Practitioner's Course](#))*

### [Natural Curiosity](#)

*Focused on inquiry-based learning and Indigenous perspectives, this organization, based at the University of Toronto, offers a variety of professional learning opportunities and created a [book](#) of the same name that is a guide for educators.*

### [Forest Schooled](#)

*Professional learning community that supports those who use forest school principles in their practice and has a variety of high-quality learning resources.*
